It's more than "just the teeth" with Dr. Myers.

For over 20 years, Dr. Aubrey Myers has provided her patients with exceptional preventive, general, cosmetic and reconstructive dental care.

A native of Louisiana, Dr. Myers received her Doctorate of Dental Surgery from Louisiana State University School of Dentistry in New Orleans in 1998. Dr. Myers has an extensive dental background comprised of practicing general dentistry throughout Southeast Virginia and Coastal North Carolina. Dr. Myers proudly served as a Dental Officer in the U.S. Navy aboard the aircraft carrier, The USS Theodore Roosevelt, CVN 71.

You can take comfort in our complete approach to your dental health.

To best enhance the dental experience and health of her patients, Dr. Myers has dedicated herself to expanding her knowledge and skill level through advanced education courses. She has accomplished Scholar status with The Dawson Academy, an internationally renowned postgraduate educational and clinical research facility dedicated to the advancement of dentistry. As a member of The Dawson Academy Study Club's Durham Chapter, Dr. Myers meets routinely with fellow Dawson dentists to discuss, review and study the latest in materials, treatments, and techniques. Dr. Myers embraces a complete and comprehensive approach to dentistry, evaluation, and treatment of her patients.

What sets Dr. Myers apart from other Emerald Isle, NC dentists is her advanced training and commitment to providing complete dental care. Dr. Myers incorporates functional analysis in addition to disease prevention for in-depth examinations of the entire masticatory (chewing) system. Dr. Myers evaluates the jaw joint and related muscles to analyze their functional relationship with the teeth. Dr. Myers offers personalized TMJ therapy for the long-term stability

of the bite and jaw health. By being able to provide dentistry in this manner, Dr. Myers can better assist her patients in attaining their optimum, long-lasting dental comfort and stability coupled with a beautiful, healthy smile.
